RxEDO is the prescription membership manager that processes your prescription medications. **RxEDO** uses many of the same pharmacies, that you are already accustomed to; therefore, you should experience very few changes to the way you currently fill your prescriptions.

01

ACUTERx MEMBERSHIP IS NOT INSURANCE Program Membership provides members with access and enrollment in valuable prescription discount programs. The Program does not make payments directly to the providers of these services. The Program member is obligated to pay for all services but will receive discounted rates on program services from those providers who have contracted with Program administrator. Upon request, the Program administrator will make available a complete list of Program providers in the cardholder's service area. This information can also be found online at <https://www.pramdiscountrx.com>

Prescription Drug Program

What Pharmacies Can I Go To?

Our network includes 100% of chain pharmacies and 90% of independents.

If your pharmacy says they aren't contracted, the process to add them is quick and easy! Simply ask them to contact **RxEDO** at **(800) 522-7487**.

What if My Medication is Not on the Program Formulary?

When speaking with your physician about your medications, refer to your formulary to see what medications are included in this program. If your doctor tries to prescribe one that is not on the formulary, there may be an alternative that IS included and is just as effective. If a prescribed medication is not on the formulary, the member is still eligible to purchase that drug at **RxEDO's** discounted rate.

What if the Pharmacist Can't Locate My Eligibility?

Ask the pharmacist to verify that they are entering your person code "01" (02 for a spouse, 03 for child #1, and so on) after your member number. Many pharmacists mistakenly leave this off, however it is part of your Member ID and must be included. If they are entering it correctly or there are other issues, a quick call to **RxEDO** member services at **(888) 879-7336** should resolve any problems quickly. This line is open 24/7 - 363 days a year.

Any Questions at All?

Contact **RxEDO** member services at **(888) 879-7336**.

Pharmacist questions: **(800) 522-7487**. Both numbers are open 24/7 - 363 days per year.
